□

Violation:

Following a storm event on June 19, 2026 the City of Broxton experienced several releases of wastewater from the collection system. Locations for releases include the lift stations at
304 Church St est 150,000 gallons
98 Meadow Lane est 120,000
359 Hwy 268 East est 50,000 gallons
3294 Hwy 268 West est 110,000 gallons
910 West Ave est 80,000 gallons
Releases began around 11:00 – 18:00

The Georgia Department of Natural Resources Environmental Protection Division Water Quality Division was notified. Signage has been posted and stream monitoring has been initiated in accordance with Environmental Regulations.

The local health department, media and legal organ are being notified as required. There are no downstream water suppliers within twenty (20) miles of the spill site.

RESIDENTS SHOULD NOT BE ALARMED. SAMPLES WILL BE COLLECTED TO ENSURE THAT THERE ARE NO HARMFUL EFFECTS.

ANY QUESTIONS REGARDING THIS VIOLATION SHOULD BE DIRECTED TO THE CONTACT PERSON LISTED ABOVE.
